

\$350 GR

We are pleased to inform you that you have been selected to receive a \$350 American Rescue Plan (ARP)/ Higher Education Emergency Relief Fund Grant (HEERF 3), which was approved as part of the American Rescue Plan (ARP) Act's Higher Education Emergency Relief Fund (HEERF). These grants are being given to graduate students enrolled in Spring 2022 with an Estimated Family Contribution (EFC) between \$0 and \$10,000, as determined by your 2021-22 Free Application for Federal Student Aid (FAFSA). The grants are to assist with the Spring 2022 semester and must be used for any component of your cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care) or child care.

You have 3 options for receiving these funds:

- 1) You can have the grant applied directly to your student account balance to offset current charges, (please view Self-Service to see if you have a current balance <https://www.holyfamily.edu/self-service-login>).
- 2) You can receive the funds via ACH if you are signed up for direct deposit. You can add your direct deposit information in the Bank tab of Self-Service <https://www.holyfamily.edu/self-service-login>.
- 3) You can receive the funds via a check, mailed to the address the school has on file for you (you can check your address on your Self-Service account <https://www.holyfamily.edu/self-service-login>).

If you wish to select option 1, (to have it applied to your student account balance to offset current charges), please click this link <https://www.holyfamily.edu/heerf-3-funds>, answer the questions and submit by March 10, 2022.

If we do not receive the request to have it applied to your student account balance to offset current charges by March 10, 2022, we will assume you are selecting option 2 or 3 and there is nothing else you need to do. We will disburse the funds within the next seven to ten days. Please email with any questions you may have.
