

2025-2026 Dependent Verification Worksheet

WHAT IS VERIFICATION?

Your application for financial aid was selected for review in a process called "verification." In this process, the Financial Aid Office is required to collect information from you and compare it to the information that you submitted on your Free Application for Federal Student Aid (FAFSA). If we find that any of the items are incorrect, we must make those corrections to your FAFSA. If the corrections result in a change to your financial aid award, we will send you a revised offer letter within two weeks of completing the verification.

Submit this completed and signed form to the Financial Aid Office with the required documentation (see Sections C & D) within 14 days. **Your financial aid will not be processed until this form has been fully completed and submitted with all required documentation.**

WHAT ARE THE STEPS?

1. Complete the IRS Direct Data Exchange (FA-DDX) by navigating to the Financial Information section of the FAFSA. From there, follow the instructions to determine if you are eligible to use the IRS Direct Data Exchange (FA-DDX) to transfer 2023 IRS income tax information directly into your FAFSA.
2. If you cannot complete Step 1, you may order a **2023 IRS Tax Return Transcript** from the IRS online at www.irs.gov, select "Get Your Tax Record". You can also obtain one by phone at 1-800-908-9946. Obtain a **2023 IRS Tax Return Transcript** for yourself and for your parents/step-parent. **Please make certain you request a tax return transcript – NOT a tax account transcript.** You may also submit a **signed** copy of the 2023 IRS Federal Income Tax return and applicable schedules. If your parent(s) did not file taxes for 2023 each parent/step-parent must request a **2023 IRS Verification of Non-Filing Letter**.
3. Fill in and sign this worksheet – you and at least one parent must physically sign the form.
4. Review all letters from the Financial Aid Office to see if you need to submit other documentation.
5. After a financial aid counselor reviews your information, you may be asked to submit additional documentation. You will be notified about your financial aid awards after all the information has been reviewed and any necessary corrections made.
6. If you filed an amended return, or were a victim of tax-related identity theft, please contact our office for more information.
